Sir,

Subject: Sanctioning a special grant of Rs.5000/- under the head "36 Scientific Departments (b) Archaeological Department, 4 Contingencies printing of several guide books.

With reference to your letter No.C.&.D.3601/Archy dated 5th September 1956 on the above subject, I write to state that the Senior Assistant Director, Government Branch Press, Mysore, has intimated ~~kkkk~~ in his letter No.2047 dated 14-9-1956 that he would require about two months to complete each publication (guide book) in Hindi since the stock of Hindi types is limited. However, the work may be entrusted to the Government Branch Press, Mysore, and arrangements made for completing the work within the current official year.

As regards the remuneration to the translator, I would like to state that Rs.75/- for each publication, would be too low since the work should be up to the standard and

has to be entrusted to scholars who have acquired good experience in the work. Some of the persons who were requested in the matter have also expressed that the honorarium should at least be fixed at Rs.100/- each.
